Overview

Dr. Janak Raj Arora is an experienced paediatric surgeon in Patiala. He has years of experience in the field and has successfully treated many minor to critical cases. Dr. Janak is responsible for diagnosing, treating, and surgically managing a wide range of conditions in infants, children, and adolescents. This includes congenital anomalies, trauma, tumours, and disorders affecting various organ systems. Dr. Janak works in close collaboration with paediatricians, anaesthesiologists, and other specialists to deliver comprehensive, child-focused care. He is skilled at performing surgical procedures for congenital malformations, hernias, gastrointestinal issues, urological conditions, and pediatric tumours. Dr. Janak evaluates and manages neonates and children with surgical emergencies, such as intussusception, pyloric stenosis, appendicitis, and intestinal obstruction. He operates on minimally invasive and laparoscopic surgeries where applicable. Dr. Janak provides pre-operative and post-operative care tailored to paediatric patients. He monitors ongoing medical conditions requiring potential surgical intervention. In addition to offering expert and comprehensive care to the young patients, he also educates and counsels patients' families regarding diagnosis, surgical options, risks, and postoperative recovery. Dr. Janak maintains a compassionate and child-friendly communication style that helps him establish a connection with them. His compassionate ways of treating the young patients are admired by all. Besides this, he maintains accurate and detailed medical records, including operative notes and discharge summaries. Dr. Janak adheres to hospital protocols, infection control standards, and surgical checklists. He also actively participates in CMES and events that talk about the latest advancements in his field and the trends across the globe. Dr. Janak has garnered positive reviews from his patients, which are a testament to the great work he is doing. He is fluent in Hindi, English, and Punjabi and has treated patients from diverse geographical locations. Dr. Janak also abides by the motto of Manipal Hospitals, which are: clinical excellence, patient centricity and ethical practices. He participates in every event organised by the hospital with the objective to disseminate the right knowledge in the public domain and bust the common myths.
