

DR. ANINDYA ANURADHA

Senior Consultant - Ophthalmology

Qualification

MBBS | MS - Ophthalmology | FICO | Fellowship in Glaucoma | Fellowship in Phacoemulsification

Overview

Dr. Anindya Anuradha is an experienced Senior Consultant in the Department of Ophthalmology at Bhagwan Mahavir Manipal Hospitals, Ranchi, with over 10 years of focused clinical expertise in diagnosing and treating complex eye conditions. A Gold Medalist in Medicine and Community Medicine from Utkal University during her MBBS at SCB Medical College, Cuttack (2007), she went on to complete her MS in Ophthalmology from PGI Rohtak (2010), followed by the prestigious Fellowship of the International Council of Ophthalmology (FICO) in 2013. Dr. Anuradha's core areas of expertise include glaucoma management, cataract surgery, pediatric glaucoma, ocular trauma, and ocular emergency care. Her clinical research on the Ahmed Glaucoma Valve (AGV) surgery was recognized internationally and published in a reputed Glaucoma Journal. She is also a certified Docquity Course Instructor, mentoring ophthalmologists in Singapore and Malaysia on the latest advancements in glaucoma treatment. Dr. Anuradha is an active member of prominent medical associations such as the All India Ophthalmological Society (AIOS), Glaucoma Society of India (GSI), and Jharkhand Ophthalmological Society (JHOS), consistently contributing to academic forums and medical seminars. Her commitment to patient care and surgical precision has earned her recognition at the state level, including the Aparajita Award presented by the then-Governor of Jharkhand, Mrs. Draupadi Murmu, for her dedicated service to the healthcare sector.
