

## DR. (MAJOR) ANIL AYEKPAM

Consultant - Surgical Oncology

### Qualification

MS(General Surgery) | FMAS | FIAGES | FALS | DrNB (Surgical Oncology)

### Overview

Dr.(Major) Anil Ayekpam is a dedicated surgical oncologist with wide experience in treating different types of cancers. He is currently working as a Consultant in Surgical Oncology at Manipal Hospitals, Rangapani. He completed his MBBS in 2008 from the Regional Institute of Medical Sciences (RIMS), Manipur University. Later, he pursued MS in General Surgery at the same institute. To further specialise, he obtained his DrNB in Surgical Oncology from Indraprastha Apollo Hospitals, New Delhi, in 2020. Dr Ayekpam commitment to give his best services is highlighted by his several fellowships. These have strengthened his skills in advanced laparoscopic and minimally invasive cancer surgeries. His career began with service in the Army Medical Corps. From 2020 to 2025, he served as Assistant Professor in Surgical Oncology before joining Manipal Hospitals Rangapani. Dr Ayekpam has also contributed to medical research and has presented papers and talks on various nation oncology conferences. He is the best surgical oncologists in Rangapani. Dr Ayekpam has trained in advanced treatment methods like PIPAC and HIPEC and had published his experiences in medical journals. He is fluent in Hindi, English, and Manipuri (Meiteilon), making him approachable to patients from diverse backgrounds. Known for his commitment, surgical expertise, and patient-first approach, Dr Ayekpam continues to provide comprehensive cancer care with compassion and precision.
