

DR. RAJIV CHATTERJEE

Senior Consultant - Orthopaedics

Qualification

MBBS | D.Ortho | MS (Ortho) | DNB (Ortho) | F.R.C.S.

Overview

Dr. Rajiv Chatterjee is a highly experienced Consultant Orthopaedic and Trauma Surgeon, practising since 2002, with specialized expertise in Complex Trauma Management and Hip and Knee Joint Arthroplasties, including both primary and revision procedures. With a career spanning over two decades, he has been at the forefront of orthopaedic surgical advancements and remains committed to improving patient outcomes through surgical excellence, research, and education. He is the best Orthopaedist in Kolkata. In addition to his clinical practice, Dr. Rajiv Chatterjee has held several academic and administrative roles. He served as Assistant Professor of Orthopaedics at Ramakrishna Mission Seva Pratisthan and Vivekananda Institute of Medical Sciences in Kolkata from 2004 to 2007. His contributions to medical education began earlier as a Lecturer in Orthopaedics at RMMCH, Chidambaram, and as a resident at JIPMER, Pondicherry, where he was involved in undergraduate teaching. He also served as an Administrative Registrar in the UK, coordinating clinical work schedules, on-call rotas, and academic teaching programs for medical students, house officers. He is an active participant in orthopaedic research and has presented his work at prestigious platforms such as ESSKA in London and the Australian Orthopaedic Association. His academic contributions include co-authoring several textbooks on trauma and arthroplasty. He has attended numerous national and international training programs, including AO trauma courses and arthroplasty workshops across Europe and Asia. A respected leader in the orthopaedic community, he has held key positions such as President of the National Association of Trauma Surgeons, Council Member of AO Trauma India, and Scientific Secretary of IOACON 2019. He is also a long-standing faculty member and AO Trauma Courses, actively involved in teaching and mentoring surgeons across India. He was also a part of the Faculty at multiple national conferences: IOACON, WBOACON, BOACON, Traumacon, Nailscon, and Shouldercon. He is also involved in publishing several books and has co-authored many. He continues to be a driving force in advancing trauma care and joint replacement surgery.
