

DR. SAUMITRA MISRA

Senior Consultant - Orthopaedics

Qualification

MBBS | MS (Orth) | FRCS

Overview

Dr. Saumitra Misra is a highly regarded and accomplished Orthopaedic Surgeon renowned for his exceptional skills and contributions to the field of orthopaedics. With a comprehensive educational background, extensive surgical experience, and notable affiliations, Dr. Misra has garnered a reputation as a trusted medical professional. Education has been a cornerstone of Dr. Misra's journey. He initiated his journey by acquiring an MBBS degree, establishing a strong groundwork in medical expertise. Driven by his passion for orthopaedics, he pursued a Master of Surgery (MS) degree in Ortho, allowing him to delve deeply into the complexities of musculoskeletal health. His commitment to professional growth and pursuit of excellence led him to earn the esteemed qualification of FRCS, further validating his dedication to his field. His influence extends beyond his achievements. As a Faculty and Chairperson for AO Trauma Courses in India and abroad, he has actively contributed to advancing orthopaedic education and training. His role in AO Trauma India as a Council member and Fellowship Officer from 2018 to 2021 underscores his commitment to fostering the growth of young orthopaedic professionals. His memberships in esteemed medical organizations such as AO Trauma, the Indian Orthopaedic Association, the Indian Arthroplasty Association, and the Association of Surgeons of India reflect his dedication to staying connected with the latest advancements and collaborating with peers in the orthopaedic community. His expertise spans a range of critical orthopaedic procedures. He excels in Fracture Fixation, skilfully addressing fractures with precision to ensure proper healing and restoration of bone integrity. His mastery extends to Hip Replacement Treatment, where he effectively replaces damaged hip joints with artificial ones, significantly improving patients' quality of life. Similarly, his proficiency in Knee Replacement Treatment showcases his ability to alleviate knee pain and enhance mobility for patients seeking relief from knee-related issues. He is the best Orthopaedics consultant in Kolkata. Dr. Saumitra Misra's profile is a testament to his dedication, skill, and commitment to the field of orthopaedics. His journey, from a solid educational foundation to a position of prominence, showcases his continuous quest for knowledge and excellence. His proficiency in Fracture Fixation, Hip Replacement Treatment, and Knee Replacement Treatment positions him as a sought-after orthopaedic surgeon, trusted by patients and respected by his colleagues.
