

DR. ANGSHUMAN GOSWAMI

Consultant - Ophthalmology Specialist

Qualification

MBBS | MS (Ophthalmology) | DNB (Ophthalmology) | MNAMS | FICO (Germany)

Overview

Dr. Angshuman Goswami is a highly experienced eye surgeon with 27 years of experience treating various eye diseases, including cataracts, retinal disorders, and glaucoma. His extensive medical education includes an MBBS, MS (Ophthalmology), DNB, and MNAMS from prestigious institutions in Delhi, including Maulana Azad Medical College. He further honed his expertise by completing a Fellowship in Corneal Diseases from Saarland University, Germany, and is also recognised as a Fellow of the International Council of Ophthalmology (FICO). He is the foremost Eye Surgeon in Saltlake, Kolkata. Dr. Goswami's clinical skills are diverse and advanced. He is well-versed in Phacoemulsification, the implantation of specialised intraocular lenses (IOLs) such as Multifocal IOLs, Refractive Surgery, Lasers, and the treatment of retinal diseases. His approach to Cataract Surgery is particularly noteworthy as he performs surgeries using eye-drop anaesthesia, ensuring a painless, injection-free, and bandage-free experience with same-day discharge. His professional affiliations are extensive. Dr. Goswami is a life member of multiple esteemed ophthalmological societies, including the All India Ophthalmological Society, the U.P. State Ophthalmological Society, the Vitreo-Retinal Society of India, the Ophthalmological Society of West Bengal, the Delhi Ophthalmological Society, the Odisha State Ophthalmological Society, the Noida Ophthalmological Society, and several others. He has also been an International Member of the American Society of Ophthalmologists since 2007. Dr. Goswami's contributions to ophthalmology extend beyond clinical practice to academia and research. He has received numerous awards, including the Best Clinical Case Presentation by the Delhi Ophthalmological Society and the Best General Video Film Award by the All India Ophthalmological Society. His research work has been recognised and nominated for prestigious awards, such as the Col. Rangachari Award at the All India Ophthalmological Society Conference. Dr. Goswami boasts an impressive portfolio of publications, with his research appearing in well-regarded journals such as the Indian Journal of Ophthalmology and the DOS Times. Additionally, he is recognised as a reviewer for Journals of International repute, highlighting his expertise and standing in the field. Dr. Goswami is fluent in multiple languages, including English, Hindi, Bengali, and Oriya, allowing him to communicate effectively with diverse patients. His commitment to Ophthalmology is demonstrated through his active participation in academic and clinical advancements, solidifying his reputation as a trustworthy eye specialist. Dr. Goswami is also dedicated to upholding the highest ethical standards in his professional conduct, guided by compassion and sincerity.
