

DR. GAUTAM BHAUMIK

Senior Consultant - General & Laparoscopic Surgery

Qualification

MBBS | MS (General Surgery) | DNB (General Surgery) | FRCS | FRCS

Overview

Dr. Gautam Bhaumik is a distinguished Senior Consultant in General and Laparoscopic Surgery with over 33 years of clinical experience. Widely regarded as one of the most skilled surgeons in Kolkata, Dr. Bhaumik has managed an impressive spectrum of medical and surgical conditions with expertise and precision. His core specialisation lies in advanced laparoscopic surgery, and he is particularly known for his work in minimally invasive procedures that reduce recovery time and improve patient outcomes. Dr. Bhaumik completed his MBBS from Calcutta University in 1991, followed by an MS in General Surgery in 1994. He further earned a DNB in General Surgery from the National Board of Examinations in 1995. His pursuit of excellence continued with dual Fellowships of the Royal College of Surgeons (FRCS), enhancing his surgical proficiency and global exposure. Apart from laparoscopic surgery, he is well-versed in colorectal, breast, vascular, endocrine, and transplant surgeries. He is also proficient in laser treatments for conditions such as varicose veins, piles, fissures, fistulas, and pilonidal sinus. He is the best Laparoscopic Surgeon in Salt Lake, Kolkata. A seasoned academic, Dr. Bhaumik has co-authored several papers in reputed journals, reflecting his commitment to continuous learning and contribution to the medical community. His work has been recognised in both national and international forums. Notably, his role in treating a rare case of familial colonic cancer was featured in the media for its clinical significance. Fluent in English, Bengali, and Hindi, Dr. Gautam Bhaumik is appreciated by patients for his empathetic approach and clear communication. Currently practising in Kolkata, he continues to uphold the highest standards of surgical care while mentoring young surgeons and advancing the field through research and innovation. Dr. Bhaumik regularly participates in national and international surgical conferences to stay aligned with the latest advancements in minimally invasive techniques. He is also actively involved in community health initiatives, spreading awareness about preventive surgical care and early detection of gastrointestinal and vascular conditions. His unwavering dedication to patient safety and ethical practice has earned him deep respect among peers and patients alike.
