

DR. MADHU BAHL DEB

Consultant - Obstetrics & Gynaecology

Qualification

MBBS | MD | DNB | MRCOG | FRCOG

Overview

Dr. Madhu Bahl Deb is a distinguished Consultant in Obstetrics and Gynaecology, with over 46 years of experience in the field. She completed her MBBS in 1978 and MD in Obstetrics and Gynaecology in 1982 from the prestigious Lady Hardinge Medical College, New Delhi. Additionally, she earned a DNB in Obstetrics and Gynaecology from the National Board of Examinations, New Delhi. Dr. Deb holds both MRCOG and FRCOG credentials, reflecting her international training and commitment to excellence in women's health. Currently affiliated with Manipal Hospital Salt Lake, she has served in leading hospitals across India and is widely respected for her clinical expertise and compassionate approach. Dr. Deb specializes in managing high-risk pregnancies, pelvic inflammatory disease, PCOD, fibroids, and menstrual disorders such as dysmenorrhea. Her areas of advanced interest include Reproductive Endocrinology and Infertility, Urogynecology, Minimally Invasive Gynecologic Surgery (MIGS), and Pelvic Reconstructive Surgery. She is known for her meticulous attention to detail in diagnosis and for offering personalized, evidence-based treatment plans. Patients appreciate her ability to combine empathy with medical precision, making her one of the most trusted names in obstetrics and gynaecology in Kolkata. She is the top Obstetrician in Salt Lake, Kolkata. Beyond clinical practice, Dr. Madhu Bahl Deb has been actively involved in research and academic contributions, with numerous publications in national and international journals. She has attended and contributed to various workshops and conferences in the field. Her dedication to continuous learning and teaching highlights her role as both a practitioner and mentor. Fluent in English, Bengali, and Hindi, she effectively communicates with patients from diverse backgrounds. She is particularly passionate about promoting women's health awareness and regularly engages in community outreach programs focused on preventive care. Dr. Bahl Deb also plays an instrumental role in training young medical professionals, fostering a culture of clinical excellence and compassion. Her holistic approach to patient care, combining evidence-based medicine with empathetic counseling, has made her a trusted name in obstetrics and gynaecology.
