

DR. JAYARAJ S P

Senior Consultant - Medical Gastroenterologist

Qualification

MBBS | MD (General Medicine) | DM in Gastroenterology

Overview

Dr. Jayaraj S P is an experienced Medical Gastroenterologist based in Bangalore, currently practising at Manipal Hospitals on Sarjapur Road. Dr Jayaraj has become proficient in various aspects of gastroenterology with an overall experience of 14 years of which 10 years are as a specialist. In addition to his expertise and clinical practice, Dr. Jayaraj is an active member of the Indian National Association for the Study of the Liver (INASL). Dr. Jayaraj S P completed his MBBS degree from JSS Medical College in Mysore, Karnataka in 2008. Following that, he pursued an MD in General Medicine from RNT Medical College in Udaipur, Rajasthan in 2013. In 2017, he obtained his DM in Gastroenterology from Government Medical College in Calicut, Kerala. Dr. Jayaraj's specialization lies in medical gastroenterology, and he possesses extensive expertise in managing diseases related to the digestive system. His exceptional academic journey has provided him with a comprehensive understanding of the subject. He also treats liver diseases such as cirrhosis, fatty liver, hepatitis, and jaundice, as well as gall bladder diseases and stones, gastrointestinal diseases (acidity, reflux, intestinal infections, IBS, diarrhoea, piles, constipation, and fissures), pancreatitis, inflammatory bowel diseases, and absorption problems. Dr. Jayaraj can also perform different types of endoscopic procedures for both therapeutic and diagnostic purposes. He is proficient in therapeutic and diagnostic endoscopy, endoscopic ultrasound, colonoscopy, EMR, ESD, ERCP, polypectomy, stent placements, feeding tube placements (PEG, NJ, and NG), manometry, gastrointestinal bleed management, piles banding, and medical management of fissures. For the same reason, he is considered the medical gastroenterologist in Sarjapur, Bangalore. His expertise in these procedures allows for accurate diagnosis and effective treatment of various gastrointestinal conditions. Dr. Jayaraj stays updated with the latest developments in his field through conferences and publications. He has presented a dissertation article and poster on the aetiology of recurrent acute pancreatitis in India, utilizing a multimodality study, at national and state conferences. Furthermore, Dr. Jayaraj is multilingual and can communicate fluently in English, Hindi, Telugu, Malayalam, Kannada, and Tamil. This linguistic proficiency allows him to effectively interact with patients from diverse backgrounds, ensuring clear communication and understanding throughout the treatment process. Dr. Jayaraj's approach to patient care is holistic, with a special emphasis on diet, nutrition, and preventive measures. He dedicates ample time to educating and counselling his patients, prioritising ethical practices and evidence-based medicine. By adhering to national and international protocols in patient management, he ensures the best possible outcomes. His excellent communication skills enable him to effectively counsel patients and their families, promoting patient compliance with the prescribed treatment. These qualities have established him as one of the top doctors in Sarjapur Road, Bangalore. His dedication to patient care, holistic approach, and expertise in endoscopic procedures make him a trusted healthcare professional for individuals seeking specialised gastroenterological care in Bangalore.
