

DR. MANISH MADHAV

Consultant - Paediatric Surgery

Qualification

MCH Pediatric Surgery | MS (General Surgery)

Overview

Dr. Manish Madhav is an experienced Consultant in Paediatric Surgery at Manipal Hospital, Siliguri, with over two decades of medical excellence. Holding an M.B.B.S. degree (2002), followed by an M.S. in General Surgery (2007) and a superspecialty M.Ch in Pediatric Surgery (2012), Dr. Madhav brings a wealth of knowledge and surgical expertise to his practice. His comprehensive training and clinical acumen make him one of the leading pediatric surgeons in North Bengal and Eastern India. Dr. Madhav specializes in a wide range of open and reconstructive surgeries, as well as minimally invasive procedures, for newborns, infants, and children, ensuring precise and compassionate care across all pediatric age groups. His core competencies include neonatal and pediatric emergency surgeries, gastrointestinal interventions, anorectal and hepatobiliary procedures, thoracic surgeries, and complex genitourinary reconstructions. He is also adept at managing spinal and neurosurgical conditions in children. With a special interest in pediatric urology, both open and endoscopic. Dr. Madhav is well-known for performing advanced genitoplasty procedures, including masculinizing and feminizing surgeries, tailored to the child's unique needs. He is also a pioneer in pediatric laparoscopy and thoracoscopy in the region, championing minimal-access surgical techniques that ensure faster recovery, reduced pain, and minimal scarring for young patients. At Manipal Hospital, Siliguri, Dr. Madhav continues to offer surgical solutions backed by evidence-based protocols, making him a sought-after expert in pediatric and neonatal surgery.
