

DR. NITISH KUMAR DAS

Senior Consultant - General Surgery

Qualification

MBBS | MS (General Surgery)

Overview

Dr. Nitish Kumar Das, Senior Consultant in General Surgery at Manipal Hospital, Siliguri, is a General and laparoscopic surgeon with over 30 years of clinical expertise. He completed his M.B.B.S. in 1985 and earned his M.S. in General Surgery in 1990. Dr. Das specializes in General Surgery, Laparoscopic Surgery, Oncological Surgery, and Minimally Invasive Procedures, offering evidence-based surgical care for a wide range of conditions. His proficiency in advanced laparoscopic techniques and cancer-related surgeries ensures precise diagnosis, minimal postoperative complications, and faster recovery for patients. A member of the Indian Medical Association and the West Bengal Medical Council, Dr. Das brings a results-driven approach to surgical management, adhering to strict clinical protocols and up-to-date surgical practices. His role at Manipal Hospital, Siliguri, involves the use of modern surgical infrastructure to deliver high-quality care for both elective and emergency surgeries. Known for handling complex cases with precision, Dr. Das is a trusted name in surgical healthcare in North Bengal. His commitment to clinical excellence and adherence to national and international treatment guidelines make him a preferred choice for patients seeking reliable and experienced surgical intervention.
