

DR. VIJAY RANGACHARI

Consultant - Ear, Nose and Throat

Qualification

MBBS | DNB(ENT) | MNAMS

Overview

Dr. Vijay Rangachari is a renowned Otorhinologist and Ear, Nose, and Throat (ENT) consultant, currently practising at Manipal Hospital Whitefield, Bangalore. Boasting a wealth of experience exceeding 23 years, Dr. Vijay specialises in an extensive array of conditions related to the ear, thyroid, facial nerve, skull-based surgeries, hypophysectomy, thyroid, head and neck surgery, throat and voice issues, sleep apnoea, vertigo, and dizziness, among others. He commenced his medical journey by obtaining his MBBS from The Tamil Nadu Dr. M.G.R. Medical University in 2000. Subsequently, in 2004, Dr. Vijay cleared his DNB exams in Otorhinolaryngology conducted by the National Board of Examination. His scientific paper presentation at the Tamilnadu State ENT Conference in 2003 earned him the second prize. As a member of the 'Association of Otolaryngologists of India', 'Skull Base Surgery Society of India', and the 'Indian Society of Otology', Dr. Vijay Rangachari has a special interest in performing larynx microsurgery, nasal endoscopy, hypophysectomy, and ossiculoplasty. He has sought advanced training and knowledge from esteemed institutions worldwide, having completed courses in skull-based surgeries in Barcelona, Spain, and Anterior Skull base surgery from the IRDC Academy in Leipzig, Germany. Additionally, he holds a fellowship from the International College of Surgeons in the United States. Dr. Vijay has served as an ENT surgeon at Max Super Speciality Hospital in Dehradun, Uttarakhand, Pushpanjali Crossley Hospital, Indraprastha Apollo Hospitals in Delhi NCR, Sundaram Medical Foundation, and Stanley Medical College & Hospital. Throughout his career, Dr. Vijay Rangachari's skills have been recognized with many awards and accolades, including winning the first prize for his video and poster session at the Delhi State ENT Conference in 2008 and receiving the Best Young ENT Surgeon award at the Uttarakhand State ENT Conference in 2013. Dr. Vijay has an impressive academic presence, with his articles published in reputable medical journals, including the Indian Journal of Otolaryngology and Head and Neck Surgery, the Journal of Clinical Neurosciences, and the Indian Journal of Critical Care Medicine. He is affiliated with various medical societies, including the National Academy of Medical Sciences, the Skull Base Surgery Society of India, the Cochlear Implant Group of India, and the Indian Association of Surgeons for Sleep Apnoea. As an expert Otorhinologist, Dr. Vijay Rangachari keeps patient care at the forefront of his treatment regime and thus is recognised as the best ENT specialist in Whitefield.
