Overview

Dr. Chitralekha N D is a highly accomplished obstetrician and gynaecologist in Yelahanka, currently practising as a Consultant – Obstetrics and Gynaecology at Manipal Hospital Yelahanka, Bangalore. With over three decades of post-MRCOG experience, she brings a wealth of clinical expertise, international training, and compassionate care to women across all stages of life — from adolescence and reproductive years to menopause and beyond. Recognised for her evidence-based approach and patient-centred philosophy, Dr. Chitralekha is widely regarded as one of the best gynaecologists in Yelahanka, known for her commitment to ensuring safe, modern, and personalised women's healthcare. Having earned her MBBS from the prestigious Grant Medical College, Bombay, followed by a Diploma in Obstetrics and Gynaecology (DGO) and later achieving the MRCOG (London) in 1994 and FRCOG (London) in 2010 from the Royal College of Obstetricians and Gynaecologists, UK, Dr. Chitralekha's academic and professional foundation is deeply rooted in clinical excellence. Her years of advanced training in the United Kingdom have shaped her approach to modern obstetric and gynaecological practice, combining high clinical precision with empathy, ethical decision-making, and holistic care. Over the years, she has managed a vast spectrum of women's health issues, including high-risk pregnancies, infertility, menstrual disorders, menopausal management, fibroids, endometriosis, and gynaecological surgeries. Dr. Chitralekha's expertise extends to both routine and complex obstetric cases, where her calm demeanor and hands-on experience have earned her the trust of countless mothers and families. Her clinical acumen, combined with her meticulous approach to diagnostics and treatment planning, ensures optimal outcomes for both mother and child. At Manipal Hospital Yelahanka, Dr. Chitralekha is dedicated to providing comprehensive care that blends compassion with advanced medical practices. Her obstetric services encompass antenatal care, intrapartum management, and postnatal follow-up, ensuring the safety and well-being of mother and baby at every stage. In gynaecology, she offers modern diagnostic and minimally invasive treatments for a range of reproductive health concerns, ensuring women receive timely and effective solutions in a comfortable environment. Beyond clinical expertise, Dr. Chitralekha's career reflects her passion for continuous learning and contribution to the medical community. Her tenure in both India and abroad has enriched her understanding of diverse patient needs, allowing her to offer culturally sensitive and evidence-based care. Patients looking for an experienced gynaecologist in Yelahanka, often prefer consulting Dr. Chitralekha for her approachable, reassuring, and deeply attentive qualities that define her long-standing success and the loyalty of her patients. With her multilingual proficiency in English, Hindi, Kannada, Malayalam, Tamil, and Telugu, Dr. Chitralekha ensures clear communication with her patients, bridging cultural and linguistic barriers to foster a sense of trust and comfort. Her practice reflects the ethos of modern women's healthcare — grounded in empathy, guided by science, and shaped by decades of global experience. At Manipal Hospital Yelahanka, she continues to uphold the highest standards of obstetric and gynaecological excellence, helping women navigate every milestone in their health journey with confidence and care. Whether it is advanced fertility counselling, complex deliveries, or preventive screenings, Dr. Chitralekha N D stands among the best obstetricians in Yelahanka, committed to empowering women with the right knowledge and compassionate medical support.
