

DR. GEETHA K SUBRAMANYAM

Senior Consulting Physician

Qualification

MBBS (Delhi) | MD (Internal Medicine)(Delhi)

Overview

Internal medicine specialist Dr. Geetha K. Subramanyam is a highly competent and established Senior Consulting Physician at Manipal Hospitals Yeshwanthpur. Dr. Subramanyam has made significant commitments to medication and medical education. He has a strong educational background and an abundance of professional experience. Dr. Subramanyam obtained her MBBS and MD in Internal Medicine from Delhi University. She has been actively involved in medical education and examination processes throughout her career. She's been considered to be the best general physician in Bangalore. As a Faculty/Panel Member of the National Board of Examinations (NBE) on the subject of Internal Medicine, she has played a vital role in shaping the future generation of doctors. She has been a regular contributor to the Question Bank of NBE for the Common Entrance Test (CET) and has served as a National Examiner for P.G. Examinations of NBE. Dr. Subramanyam's expertise extends beyond academic and examination roles. She has served as a co-guide for M.Pharm students of Al Amien College of Pharmacy, Bengaluru, affiliated with Rajiv Gandhi University of Health Sciences, Karnataka. Before her current position, she gained valuable experience during her tenure as a Senior Resident at L N J P and G B Pant Hospital in Delhi and as a Junior Consultant at St. Stephen Hospital in Delhi. No wonder she is considered one of the best internists in Bangalore. Later, Dr Geetha worked at St. Marthas' Hospital (SMH) in Bengaluru, where she served as a Senior Consultant in Medicine and eventually retired as the Head of the Department of Medicine. During her time at SMH, she supervised numerous postgraduate students in both Internal Medicine and Family Medicine, acting as a thesis guide for their research. Dr. Subramanyam worked in St. Marthas' Hospital in Bengaluru as a Senior Consultant in Medicine before rising to the position of Head of the Department (H.O.D.) of Medicine. She has tutored several P.G. students during her profession in the areas of Internal Medicine and Family Medicine. She has extensive knowledge in several fields, including respiratory disorders, hypertension, diabetes mellitus, and cardiovascular diseases. Dr. Subramanyam has written various articles and papers in partnership with other professionals and students in addition to her contributions to medical education and patient care. Her contributions to the advancement of medical knowledge and dissemination of her expertise to the larger medical community have been published in respectable national journals. Dr. Geetha K. Subramanyam, an Internal Medicine Specialist working out of Yeshwanthpur in Bangalore, is dedicated to giving her patients the best treatment possible while also making significant contributions to the medical community. Her broad credentials, depth of knowledge, and accomplishments make her a highly regarded and in-demand doctor in her area.
