

DR. NAGARAJAN P

Senior Consultant - Renal Transplant Surgeon

Qualification

MBBS | MS(Gen Surgery) | FRCS | FMAS | Fellowship in Liver Transplant

Overview

Renal Transplant Surgeon Dr. Nagarajan P is a well-respected Senior Consultant at Manipal Hospital. Dr. Nagarajan is regarded as a leader in the area due to his outstanding performance history and substantial credentials, which include an MBBS, MS in General Surgery, FRCS, FMAS, and a Fellowship in Liver Transplant. Thanks to his outstanding accomplishments and services, he has a remarkable reputation as a prominent specialist in patient care and surgical excellence. PTFE Grafts, Vascular Access for Dialysis, Laparoscopic Donor Nephrectomy, Renal Replacement Therapy, and Renal Transplant Surgery are just a few of the many specialities in which Dr. Nagarajan has vast knowledge. He is a valuable resource for the industry because he has a lot of knowledge and experience with these challenging procedures. In addition to having exceptional skills in kidney transplantation, Dr. Nagarajan is renowned for his abilities in liver transplantation and hepatopancreatic biliary surgery. He has finished a fellowship in liver transplant surgery and received significant training, which has given him the knowledge and abilities to manage challenging situations with the utmost precision and tenderness. Dr. Nagarajan has received various honours and distinctions during his professional career, underscoring his commitment and knowledge. Notably, he placed third in the quiz competition at the Association of Minimally Invasive Surgeons of India's Annual Conference in Coimbatore in 2002, demonstrating his dedication to remaining current with surgical advances. No wonder he is considered the best urologist in Bangalore. In addition, the prominent Kaohsiung Chang Gung Memorial Hospital in Taiwan awarded Dr. Nagarajan the distinction of being selected as the Best Outgoing International Fellow in Liver Transplant Surgery for 2016. This honour attests to his extraordinary abilities and noteworthy contributions to the profession. Dr. Nagarajan is widely recognised for his outstanding surgical proficiency and unwavering commitment to delivering top-notch medical care to every patient during their healthcare journey. He has gained a reputation for his compassionate and individualised method of patient care. Thanks to his remarkable interpersonal abilities and effective communication, he has garnered the admiration and trust of patients and colleagues. Dr. Nagarajan is esteemed and regarded as the best kidney transplant surgeon in Yeshwanthpur Bangalore. He has developed a solid reputation as a knowledgeable and esteemed specialist with substantial skills in renal transplantation, liver transplant surgery, and hepatopancreatic biliary procedures. With his outstanding accomplishments and persistent dedication to patient care, Dr. Nagarajan is a tremendous contributor to the medical field and offers trustworthy healthcare to patients needing kidney and liver transplant surgeries.
