

DR. PRAVEEN WALI

Consultant - Radiology

Qualification

DMRD | DNB | FRCR | EDIR

Overview

Dr. Praveen Wali is a Consultant - Radiologist at Manipal Yeshwanthpur, Bangalore. He received his medical degree from Rajiv Gandhi University of Medical Sciences, India and then went on to complete a Post-graduation in Radiology. In 2018, he earned an EDIR (European Diploma in Radiology — European College of Radiology). He has researched and published Sporadic hepatogastric fistula – A rare complication of liver abscess, Retroclival ecchordosis physaliphora, Intramedullary osteosclerosis of right femur confirmed on triphasic bone SPECT/CT in a patient with equivocal radiological features. Original research conducted at P.D.Hinduja Hospital and Research Centre, Mumbai as part of the curriculum of the DNB degree. The work titled “Role of MRI in response evaluation to Chemotherapy in Osteosarcoma and Ewings sarcoma” aimed to assess post-chemotherapy changes in sarcoma’s using MRI DWI/DCE sequences in comparison with PET/CT and Histopathology. The work was presented at the ECR 2017 conference in Vienna. He is a member in the Royal College of Radiologists, the European Society of Radiology, Indian Radiological and Imaging Association. He was recognized and awarded 2nd prize for conducting a Quiz on radiology residents at the annual conference of the Indian Society Of Pediatric Radiology held in 2014. Won the 2nd prize in a poster presentation on “Spectrum of Antenatal Neural Tube Defects – a pictorial essay” at the Indian Radiology and Imaging Association State Chapter Conference – 2013. Won the 2nd prize in Quiz conducted by National Oncological Imaging Society – Chennai – 2017

Fellowship & Membership

- Royal College of Radiologists
- European Society of Radiology
- Indian Radiological and Imaging Association

Field of Expertise

- Radiology

Languages Spoken

- English
- Kannada
- Hindi

Awards & Achievements

- Won the 2nd prize in Quiz conducted for radiology residents at the annual conference of the Indian Society Of Pediatric Radiology held in 2014.
- Won the 2nd prize in a poster presentation on “Spectrum of Antenatal Neural Tube Defects – a pictorial essay” at the Indian Radiology and Imaging Association State Chapter Conference – 2013.
- Won the 2nd prize in Quiz conducted by the National Oncological Imaging Society – Chennai – 2017.
